Summary

Dedicated and creative individual with strong skill in web development, project management, and problem-solving. A self- motivated term player with a passion for technology and design. Currently pursuing education in bachelor of computer application at BBD University. Interested in exploring new opportunities within the tech industry.

Projects

Games

Simon, Drum kit, Dice, Rock Paper Scissor, Tic-tac-toa

- Simon: A classic memory game where player must repeat a sequence of light and sound in the correct order.
- Rock Paper Scissor: A simple hand game that is often used as a decision-making tool, with rock beating scissors, scissor beating paper, and paper beating rock.

Apps

Weather, Image search, Item list

- Weather App: Provide current conditions, forecasts, and severe weather alerts.
- Image Search App: Facilitates keyword-based image searches with filters.

Web pages

Personal site, Tindog, Amazone clone

- Created Tindog, a tinder-like platform for connecting dog owners and their pets, as part of a homework assignment.
- Personal Site: Showcases personal information, portfolio, and projects.
